What Happened That Night

Every choice
we make has
consequences ...

Sheila O'Flanagan

What Happened
That Night

Then

When Lola Fitzpatrick catches the eye of Philip Warren, she's new to Dublin and loving it. He's used to getting what he wants ... and she can't resist him. Until one night he forces her to make an impossible choice.

If she'd known *then* what she knows *now*, everything might have been different.

Now

Lola's daughter Bey has inherited her mother's impulsive streak and it takes her down dangerous paths.

Then one night she too finds herself in front of a man she loves, with impossible choices of her own to make.

For both women, what happened
that night changes everything.
For better. For worse. For ever.
